SUBJECT: REVISION TO THE GENERAL ASSISTANCE/GENERAL RELIEF (GA/GR) VENDOR PAYMENT REGULATIONS.

REFERENCES: MANUAL SECTIONS (M.S.) 63-502.141(a); 63-502.2(b)(2).

This letter is to inform County Welfare Departments (CWDs) about a state regulation revision that will be effective on December 1, 1995, with benefits restored back to September 1994, issuance month, or date of application, whichever occurred last. This revision is necessary to comply with a federal mandate contained in public Law 103-66, Section 13915, that revises the provision on GA/GR vendor payments.

Federal food stamp regulations concerning GA/GR vendor payments previously stated that vendor payments provided for "living expenses" were considered to be income. The new mandate has limited vendor payments which can be considered income by substituting "housing expenses" for the phrase "living expenses". This change will allow only those GA/GR vendor payments covering housing expenses, excluding energy and utility expenses, to be considered as income.

Accordingly, M.S. 63-502.141(a) has been revised to specify that GA/GR vendor payments are excluded from income consideration except for those concerning housing expenses. The GA/GR vendor payment(s) for housing expenses are to be considered unearned income unless excluded by M.S. 63-502.2(b)(2). Enclosed is the proposed regulation change.

Upon the effective date of the provision, continuing cases and any household (HH) entitled to restored benefits shall have their benefits restored when the case is next reviewed, when the CWD becomes aware that a review is needed, upon request by the HH, or at recertification, whichever occurs first.

If you have any questions, please call Ernie Villalobos of the Food Stamp Program Bureau at (916) 657-1680.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bruce Wagstaff".
